OWNER-TENANT AGREEMENT

WHERE THE OWNER RENTS THEIR PROPERTY AND WISHES TO HAVE THE TENANT PAY THE WATER BILLING:

The owner is responsible for payment of any water bill, or any other service-connected billing, which is not paid by the tenant.

If a final door tag is necessary, a copy of this tag will be sent to the owner of the property. If neither the owner nor the tenant pays the bill, the service will be turned off and will not be turned on again until all billings have been paid, including the charge for the turn-off of the meter, according to the Schedule of Rates.

The owner shall be liable for any damage to the District owned customer water service facilities when such damage is from cause originating on the premises by an act of the owner or their tenants. The district shall be reimbursed by the owner of the property for any such damage promptly on presentation of the bill.

I, UNDERSIGNED, HAVE READ AND AGREE TO THE ABOVE TERMS.
